DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-31 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 1 is vague and indefinite with regard to "the call" in lines 7 and 10 and "the terminating call" in the last line. It is unclear whether they are one and the same or if they two different calls. Whether they are one and the same or different, such needs to be clearly indicated.

Claims 2-10 depend from claim 1.

Independent claim 19 recites similar defects as claim 1.

Independent claim 20 recites similar defects as claim 1 but for "the originating call" in the last line.

Claims 21 and 22 depend from claim 20.

Allowable Subject Matter

3. Claims 11-18 and 23-31 are allowed over the prior art of record.
4. Claims 1-10 and 19-22 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Response to Arguments

5. Applicant's arguments with respect to the rejections of claims 1-31 under 35 U.S.C. 102(b) and 35 U.S.C. 103(a) have been fully considered and are persuasive. Therefore, those rejections have been withdrawn. However, upon further consideration, a new ground of rejection is made as stated above. Efforts were made to contact the attorney of record in order to resolve the above defects. However, the attorney of record indicated via an outgoing voice message that he would not be able to respond to voice messages while out of the office until December 8, 2011.
